

## How to send private response to someone posting on the PPTA Forums

If you want to respond to someone who posted a note on the Maintenance Forum, click on their name indicated by the arrow in the e-mail notification screen below.

### E-mail Notification

Author	Message
<a href="#">Bob colton</a> <small>MEMBER</small> Username: Bob_colton Post Number: 22 Registered: 08-2004	Posted on Friday, May 06, 2005 - 11:54 am: It looks like if we reply to the person who sent the mail it does not work. But we know Cindy can fix. Cindy can do anything.

Use this link to go directly to the discussion:

[Jump to this page](#)

This brings up the screen below. Click on the e-mail address and your e-mail program should start so you can send an individual reply. Others using the site will, of course, not benefit from your insight and wisdom if you send individual replies.
