HB 271  Ortitay, Jason(R)
(PN 1942) Amends Titles 3 (Agriculture), 4 (Amusements) and 18 (Crimes & Offenses), providing for the legalization and regulation of fantasy sports, iLottery, iGaming, airport gaming tablets, Video Gaming Terminals (VGTs), sports betting, OTB slots, and casino simulcasting. Fantasy sports is authorized at a 19 percent tax rate to the General Fund with a $50,000 license fee. iGaming is authorized with a 16 percent tax rate to the General Fund, a 3 percent local share (1 percent of which to the host county, 2 percent to the Department of Community and Economic Development for grants), and an $8 million license fee for a casino and $2 million license fee for iGaming vendor. Airport Gaming Tablets are authorized at a 16 percent tax rate to the General Fund, with a 20 percent local share to the airport, and license fee varying upon the location. VGTs are authorized at liquor establishments and truck stops, capped at 40,000 statewide, with a 37.5 percent tax rate to the Video Gaming Fund and a 4 percent local share, distributed in halves to the Commonwealth Financing Authority (CFA) and host municipalities. The Pennsylvania Gaming Control Board is authorized to issue licenses to casinos for sports betting only if there is a change in federal law or federal court ruling. Provides for casinos to offer OTB slots at a tax rate of 50 percent to the
General Fund and a 4 percent local share, distributed in halves to the CFA and host municipalities. Provides that every Category 1 and Category 2 casino, except for one in Philadelphia, pays 2 percent to the host county and $10 million to the host municipality. Makes other adjustments to local share payments by casinos to host jurisdictions. Makes changes to Category 3 casinos, including eliminating the access requirement. Delays the issuance of the remaining Category 1 license for three years. Permits the 24/7 sale of liquor under a casino liquor license. Makes various changes to Title 3, including reducing the fee for an electronic wagering license from $500,000 to $50,000 and the renewal fee from $100,000 to $10,000. (Prior Printer Number: 229, 1028, 1237, 1821, 1839)

SB 289  White, Donald(R) (PN 1020) Act designating a bridge on that portion of old State Route 22 over the Conemaugh River in Blairsville Borough, Indiana County, as the Blairsville Area Veterans Memorial Bridge; designating that portion of State Route 4027, also known as Business U.S. Route 220, over the Norfolk Southern mainline railroad tracks in Grazierville, Snyder Township, Blair County, as the John Fredrick Bridges Memorial Bridge; designating the bridge, identified as Bridge Key 53825, on that portion of State Route 1011, also known as Castile Run Road, over the South Fork Tenmile Creek between Jefferson Township and Clarksville Borough, Greene County, as the PFC Brent A. McClellan Memorial Bridge; designating a bridge on that portion of U.S. Route 11 over the Susquehanna River between the City of Pittston and West Pittston Borough, Luzerne County, as the Specialist Dale J. Kridlo Memorial Bridge; designating a bridge at the junction of State Route 150 and State Route 64 over Fishing Creek in Mill Hall Borough, Clinton County, as the U.S. Navy SOC David M. Collins Veterans Memorial Bridge; designating a bridge on that portion of State Route 2014 over Lycoming Creek, City of Williamsport, Lycoming County, as the Alexander M. McFadden Memorial Bridge; designating a bridge on that portion of State Route 85 over the north branch of Plum Creek, Plumville Borough, Indiana County, as the Henry Lue Weaver Memorial Bridge; and designating a bridge on State Route 26 over Bald Eagle Creek, Howard Township, Centre County, as the Howard Area Veterans Bridge. Effective in 60 days. (Prior Printer Number: 275, 611, 959)

Bill History: 07-10-17 S Senate concurred in House amendments (Vote: Y: 49/N: 0) 07-10-17 S Signed in the Senate 07-10-17 H Signed in the House 07-11-17 G In the hands of the Governor 07-20-17 G Approved by the Governor (Act: 27)

SB 553  Rafferty, John(R) (PN 1037) Amends Title 75 (Vehicles), in licensing of drivers, further providing for surrender of license, for period of disqualification, revocation or suspension of operating privilege, for driving while operating privilege is suspended or revoked, for chemical testing to determine amount of alcohol or controlled substance, for probationary license and for ignition interlock limited license; and, in driving after imbibing alcohol or utilizing drugs, further providing for penalties, for ignition interlock and for illegally operating a motor vehicle not equipped with ignition interlock. The bill provides for chemical testing to determine amount of alcohol or controlled substance by establishing civil penalties for refusal in the maximum amount of $2,000; and, in driving after imbibing alcohol or utilizing drugs, further providing for penalties and for ignition interlock. Adds a restoration fee of $1,000 if the department has previously suspended operating privilege under the section. Provisions amending sections relating to chemical testing, civil penalties for refusal, and ignition interlock shall take effect immediately. Provisions relating to restoration fees and limitation are effective in six months and the remainder of
the bill is effective in 15 months. (Prior Printer Number: 590, 949, 960)

**SB 589  Langerholc, Wayne (F)(R)**
(PN 887) Amends Title 75 (Vehicles), in size, weight and load, further providing for fire apparatus, for length of vehicles and for maximum gross weight of vehicles. A vehicle operated by an engine fueled primarily by compressed or liquefied natural gas may exceed the gross vehicle weight limits by an amount, not to exceed a maximum of 2,000 pounds, that is equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by the vehicle and the weight of a comparable diesel tank and fueling system. The weight requirements of this chapter do not apply to emergency vehicles. In lieu of the weight requirements of this chapter, the requirements of 23 U.S.C. 127(R) (1) shall apply to emergency vehicles. Provides for a definition of "stinger-steered automobile" or "boat transporter." Further provides an automobile transporter shall not be prohibited form the transport of cargo or general freight on a backhaul if the transporter complies with the weight limitations for a motor vehicle. Effective in 60 days. (Prior Printer Number: 667, 756)

SB 785 Rafferty, John(R) (PN 1092) Amends Title 75 (Vehicles), in general provisions, further providing for definitions; in registration of vehicles, further providing for vehicles exempt from registration; and providing for operation of golf carts. Vehicles exempt from registration include any self-propelled golf cart used for the transportation of persons or equipment for sporting, maintenance or recreational purpose while crossing certain public highways; as well as vehicles used for maintenance or college, university or seminary campus maintenance when such vehicle does not travel on public roads in excess of one mile and the property on both sides of the public road is owned by said entity. The bill adds a chapter providing for the operation of golf carts and for the designation of golf-cart crossings. A person between 12 and 16 years of age may not drive a golf cart across any highway unless the person is under the direct supervision of a person 18 years of age or older. Effective in 60 days. SB 786 Rafferty, John(R) (PN 981) Amends Title 75 (Vehicles), in general provisions, further providing for definitions; in licensing of drivers, further providing for examination of applicant for driver's license; and, in rules of the road in general, further providing for prohibiting text-based communications and providing for prohibiting use of interactive wireless communications device by novice drivers.
The bill prohibits the use of interactive wireless communications device by novice drivers and creates exception on their usage for emergencies. The portion of the examination for the applicant for driver's license on traffic laws shall contain at least one question on distracted driving relating to the driver's ability to understand the effects of distracted driving. The driver's manual shall include a section relating to distracted driving, the effects of distracted driving, the laws on distracted driving and related penalties. Effective in 60 days.

PA Bulletin

PENNDOT: APPLICATIONS FOR FUNDING UNDER THE SECTION 5310 PROGRAM FOR FISCAL YEAR 2017-2018
The Department of Transportation Bureau of Public Transportation provided notice that it will receive applications for the State-administered Section 5310 Program, due by August 7 and available at https://spportal.dot.pa.gov/Planning/AppReg/BPT-5310/Pages/default.aspx. The program allows private nonprofit organizations and designated public bodies to apply for federal capital assistance to pay up to 80 percent of the purchase cost of new wheelchair accessible small transit vehicles used to provide transportation services for senior citizens and persons with disabilities who cannot be reasonably accommodated by existing transportation providers. Questions should be directed to John Levitsky, Bureau of Public Transportation, (717) 787-1206, jlevitsky@pa.gov.

PENNDOT: TRANSPORTATION ADVISORY COMMITTEE MEETING
The Transportation Advisory Committee will hold a meeting on Thursday, July 27 from 10 a.m. to 12 p.m. in the Commonwealth Keystone Building, Harrisburg. Questions should be directed to Ellen E. Sweeney, (717) 787-2913, ellsweeney@pa.gov.

MMB: HEARING AND PRESUBMISSION SCHEDULE; ALL MILK MARKETING AREAS; DIESEL FUEL ADD-ON TO THE OVER-ORDER PREMIUM
The Milk Marketing Board will conduct a public hearing for Milk Marketing Areas 1—6 on August 30 at 9 a.m. in the Agriculture Building, Harrisburg to receive testimony and exhibits concerning the diesel fuel add-on to the over-order premium. Details on presenting testimony or an exhibit are available in the Pennsylvania Bulletin.

MMB: HEARING AND PRESUBMISSION SCHEDULE; ALL MILK MARKETING AREAS; OVER-ORDER PREMIUM
The Milk Marketing Board will conduct a public hearing for Milk Marketing Areas 1—6 on August 30 at 9 a.m. in the Agriculture Building, Harrisburg to receive testimony and exhibits concerning the level and duration of the Class I over-order premium to be effective October 1, 2017. Details on presenting testimony or an exhibit are available in the Pennsylvania Bulletin.

(Press Release)

07-20-2017  Shaler gets $200K in funding toward Three Rivers Heritage Trail extension
Shaler commissioners have taken a step toward extending the Three Rivers Heritage Trail, a multi-use, 24-mile trail with riverfront portions through the township. During a July 11 meeting, the commissioners unanimously voted to accept $200,000 in funding from the Southwestern Pennsylvania Commission's... - Pittsburgh Tribune-Review

07-20-2017  Pennsylvania not following California on lane changes for self-driving vehicles
California often is seen as the vanguard of national trends, from policy to entertainment, but Pennsylvania isn't following the Golden State's move to modify roadways for self-driving vehicles. The California Department of Transportation, Caltrans, is increasing the... - Pittsburgh Tribune-Review

07-20-2017  'Reimagining' Westmoreland's many advantages
Westmoreland County, like many areas of Western Pennsylvania, has its challenges. But unlike other counties, we are not shying away from those challenges. We are taking them head on and maximizing our many assets. Our county is home to global high-tech companies, respected institutions of... - Pittsburgh Tribune-Review

07-20-2017  The Thursday wrap
Pittsburgh's police commanders shouldn't have to join the police union simply to live outside city limits. Regardless of the union's vote rejecting the commanders' bid for membership, the state's highest court has concurred with an arbitration panel, which determined that unionized police... - Pittsburgh Tribune-Review

07-20-2017  NJ Transit weighs disciplinary actions over canceled trains
TRENTON, N.J. (AP) - New Jersey Transit is weighing whether it can pursue disciplinary action against train engineers after a manpower shortage forced dozens of ride cancellations this week amid summerlong track work at New York's Penn Station, an agency official told lawmakers Wednesday... - AP

07-20-2017  Pa. cites turnpike for erosion control problems but says heavy rain caused McDonald flooding
A state inspection found numerous deficiencies in the installation of erosion and sedimentation controls at a highway excavation site in McDonald, but unusually heavy rain likely was more responsible for flooding of a half dozen homes and several businesses last week.... - Pittsburgh Post-Gazette

07-20-2017  Emmaus seeks solution to busing 'disaster' at Seven Generations Charter School
Empty buses are parked at the Whitehall High School stadium parking lot. The only thing missing are bus drivers, a commodity that is difficult to find, say transportation supervisors at the Whitehall-Coplay School District. (File photo/The Morning Call) Margie PetersonSpecial to The Morning Call... - Allentown Morning Call

07-20-2017  Bucks County biker clubs want to overhaul the bad-boy image
Seeing a bunch of bikers in the rear-view mirror might conjure up a bit of anxiety, especially since popular culture's image of a motorcycle rider isn't one of a law-abiding citizen. Think the terrorizing Marlon Brando in the 1953 film "The Wild One," or the bikers who deal in drugs and weapons.... - Levittown Bucks County
07-20-2017  
**EDITORIAL East Washington divided on speed humps**
Exceeding the speed limit seems to be a national norm, and it isn’t limited to interstates and other open highways where motorists, in some sections of this country, can legally rev it up to 85 mph. These scofflaws also can be found on local roads and residential streets. - **Washington Observer-Reporter**

07-20-2017  
**Airport CEO backs FAA reform bill privatizing air-traffic controllers**
FINDLAY TWP. -- Allegheny County Airport Authority’s chief executive officer is calling for the U.S. House to approve a bill reforming the Federal Aviation Administration, including the privatization of air-traffic controllers, but one lawmaker says the legislation is “on... - **Beaver County Times**

PennDOT Secretary Leslie Richards Named First Female PA Turnpike Chair
(Press Release)

Daimler to recall 3 million Mercedes-Benz cars in Europe to ease diesel doubts
FRANKFURT, Germany — German automaker Daimler will voluntarily recall 3 million Mercedes-Benz brand cars with diesel engines in Europe to improve their emissions performance, the company said Tuesday in the wake of widespread public debate over the future of diesel. - AP

Too bad Christie connection to Bonusgate scandal wasn’t made
Seeing the admitted mastermind of the Bridgegate scandal get off with probation might have been easier to swallow if the architect of the bullying culture that spawned the sophomoric plot received some punishment. But Gov. Christie skated free as well. David Wildstein, who described his job at the Port Authority of New York. - Philadelphia Inquirer

Pa. Turnpike yearly toll hike driving traffic off target: analyst
The Pennsylvania Turnpike Commission’s eighth straight annual toll increase, approved in a board meeting Tuesday, is meant to help fund the turnpike’s $500 million annual capital budget, plus $450 million for mass transit systems. But the hike will likely drive more users away. - Philadelphia Inquirer

Your Pa. Turnpike tolls are going up
Motorists will be paying more to travel the Pennsylvania Turnpike starting in January. A 6 percent increase for both E-ZPass holders and cash customers will take effect Jan. 7, the Turnpike Commission announced Tuesday. “The Turnpike Commission is obligated by state law to augment... - Philadelphia Inquirer

Erie road projects progressing quickly, delays ahead
Major construction in Millcreek and Saegertown will reduce congestion and improve safety. In the meantime, expect delays. Major road work underway in the Erie area this summer is progressing faster than expected, but not as fast as drivers would like. The most extensive and most visible project, on Interchange Road, continues... - Erie Times-News

Pennsylvania Turnpike tolls to rise again
The Pennsylvania Turnpike Commission has approved a 6 percent toll increase for E-ZPass and cash customers, a move the state auditor general said he saw coming a year ago. The increase will take effect Jan. 7. The decision was made at the commission’s bimonthly meeting Tuesday. - Reading Eagle

Allen residents decry plans for another warehouse project — this one totaling 2.5 million square feet
Plans for 2.5 million-square-feet of warehouse space in Allen Township were rolled out Monday during a Planning Commission meeting, where a spillover crowd raised concern over the impact of another major distribution center in their midst. In a joint venture, the Jaindl Land Company and Watson Land Company want to... - Allentown Morning Call

Another first for PennDOT Secretary Leslie Richards, of Montgomery County: First woman to lead PA Turnpike Commission
The first woman to lead the Pennsylvania Department of Transportation is now the first woman to lead the Pennsylvania Turnpike Commission. Montgomery County resident and former county Commissioner Leslie S. Richards was appointed chair of the Turnpike Commission under a... - Levittown Intelligencer

City hopes to open ‘test’ bikeway on West Chestnut Street in spring, reducing motor vehicles to 1 lane
Lancaster city officials are preparing to move forward with a test of a two-way bikeway that would reduce part of West Chestnut Street to one travel lane for motor vehicles. Director of Public Works Charlotte Katzenmoyer and deputy director Cindy McCormick provided a brief overview of the idea at last week's Traffic... - Lancaster Intelligencer Journal

07-19-2017  
**Not just bike lanes: Upcoming city street painting to add 50+ parking spaces downtown**  
Lancaster city’s traffic commission gave its blessing last week to the first phase of the city’s bicycle network and to changes to lane markings on several streets that will add more than 50 curbside parking spaces downtown. The pavement painting for the combined project is planned for August and... - Lancaster Intelligencer Journal

07-19-2017  
**Pa. turnpike OKs 6 percent toll increase to take effect in January**  
HARRISBURG, Pa. -- Another year, another rate hike. The Pennsylvania Turnpike Commission on Tuesday approved a 6 percent increase in the price of tolls that will take effect Jan. 7. A typical fare for a passenger car will increase from $1.23 to $1.30 for E-ZPass customers and from $1.90 to $2.10 for those paying in cash.... - Easton Express-Times

07-18-2017  **As Bridgegate book closes, two characters prepare to move on**
The incendiary careers of an unlikely pair of politically precocious, baseball-besotted former Livingston High School friends in their mid-50s sputtered out recently — one in a federal courtroom in Newark, the other on the sands of Island Beach State Park. David Wildstein, 55, an acerbic former blogger identified in headlines as... - Philadelphia Inquirer

07-18-2017  **Pay attention: State police start distracted driving enforcement**
Distracted drivers will be targeted for the next week in a state police enforcement. The Pennsylvania State Police and agencies in five other states will begin the initiative Sunday and continue through Saturday, according to a news release. Troopers will be looking for behaviors associated with distracted driving... - Pittsburgh Tribune-Review

07-18-2017  **Alle-Kiski Tuesday takes**
Colorful first step: The Kafa Buna Coffee and Tea Shop mural along Fifth Avenue in New Kensington certainly is an eye-catcher. The blast of colors — keeping with the coffee shop’s Ethiopian theme — is much needed in an area struggling to reinvent itself. Artist Tim Engelhart’s painting... - Pittsburgh Tribune-Review
**Late car payments drive rise in fixed-loan delinquencies**

The prices of new and used cars keep rising every year, which means consumers are borrowing more to make the purchases and the monthly payments for cars and car-related expenses are squeezing many households budgets to the maximum. New cars now cost an average $35,000, compared with an average $31,000 in... - Allentown Morning Call

**A Brighter Future for Electric Cars and the Planet**

There is simply no credible way to address climate change without changing the way we get from here to there, meaning cars, trucks, planes and any other gas-guzzling forms of transportation. That is why it is so heartening to see electric cars, considered curios for the rich or eccentric or both... - New York Times

**How Trump is Stealthily Carrying Out His Muslim Ban**

Lost amid the uproar over the Trump administration’s travel restrictions on citizens from Muslim-majority countries and the impending showdown at the Supreme Court are the insidious ways that the government has already begun to impose a Muslim ban. It’s doing so through deceptively boring means: increasing... - New York Times

**Pa. bill would protect a person who breaks a car window to rescue a child from hot car**

There really is no acceptable reason not to rescue an unattended child from a locked, hot car, even if it means breaking a window to reach the child. Now, a bill introduced by state Rep. Karen Boback, R-District 117, would provide civil immunity to any good Samaritan for any damage to a vehicle... - Lebanon Daily News

**Turnpike tolls to increase 6 percent next year**

The Pennsylvania Turnpike has announced tolls on the highway will increase 6 percent next year for both E-ZPass and cash customers. The turnpike said the toll increase is required to, among other things, provide funding to PennDOT to support public transportation statewide and... - Harrisburg Patriot-News

**Your PA Turnpike tolls are going up**

Motorists will be paying more to travel the Pennsylvania Turnpike starting in January. A 6 percent increase for both E-ZPass holders and cash customers will take effect on Jan. 7, the turnpike commission announced Tuesday. “The Turnpike Commission is obligated by state law to augment... - Philadelphia Inquirer

**Pennsylvania Turnpike tolls to rise 6 percent again next year**

The Pennsylvania Turnpike Commission will raise tolls for cash customers and E-ZPass users another 6 percent in January, the 10th year in a row fees have increased for the interstate. The turnpike commission voted, 5-0, Tuesday to increase the tolls beginning... - Pittsburgh Post-Gazette

**Proposal for red-light cameras draws wide views**

**Pittsburgh’s Healthy Ride not so healthy, but changes are on the way**

When Healthy Ride, Pittsburgh’s bike share program launched in the summer of 2015, the system’s 50 stations and 500 bikes were put to good use, seeing over 30,000 rides that summer. Unfortunately for the non-profit network of bikes and its promised healthiness, however, the last two years... - Pittsburgh Post-Gazette

**Two Big Highway Projects Could See New Life**

Local planners are looking to see how they can leverage more funds and advocate for the advancement of two major highway projects that have long been dormant. The Centre County Metropolitan Planning Organization’s coordinating committee gave the nod to staff recently to use some of the... - State College News

**Republicans are playing politics with the gas tax again. No wonder they have no power in California**

Assemblyman Travis Allen (R-Huntington Beach) has hitched his political star to the campaign to repeal the “gas tax” — a package of vehicle fees and fuel taxes that the Legislature passed earlier this year to
July 21, 2017

raise $52 billion over 10 years for transportation projects. The... - Los Angeles Times

**Climate change may make it too hot to fly, study says**
An American Airlines grounds crew member sits in a luggage cart at Phoenix's Sky Harbor International Airport to avoid the heat in June. (Matt York / Associated Press) A spike in summer temperatures in Phoenix last month forced American Airlines to cancel dozens of flights because some planes used by the... - _Los Angeles Times_

**California’s signature environmental law is being abused (again) to stop an environmentally...**
Critics of the California Environmental Quality Act have a new poster child for why state leaders need to take another look at the 47-year-old law. The Parking Spot, which operates airport parking lots across the country, has used CEQA to sue the Los Angeles International Airport over its $5-billion... - Los Angeles Times

In rebuke to Trump, federal judge in Hawaii expands travel ban exemptions
A federal judge in Hawaii on Thursday ordered the Trump administration to vastly expand the number of people exempt from a controversial travel ban to include those who have grandparents and other non-immediate family in the U.S., as well as refugees without family ties to the country.... - Los Angeles Times

Uber and Yandex, a Russian Ride-Hailing Rival, Opt to Share the Road
SAN FRANCISCO — Uber is famous for its pugnacious approach to business and willingness to fight any and all competition. But in a handful of countries, the ride-hailing company has ended up on a more conciliatory path. The latest example: On Thursday, Uber said it had formed a partnership with... - New York Times

United will now try to bump passengers days ahead of flight
United Airlines is implementing a new way to deal with overbooked flights -- it will ask some passengers up to five days ahead of time if they're willing to change their travel plans. Using its news Flex-Schedule Program, customers could receive an email newsletter offering a travel voucher worth up to $250 for those willing to... - Trenton Times

Climate change could make flying even more hellish
Nearly half of long-haul flights at some of world’s busiest airports could face disruptions on the hottest days because of extreme heat under climate change toward the end of the century, a study said Thursday. On hot days, flights experience weight restrictions. Focusing on five major... - Washington Post

Mayor Kenney Addresses Standoff Between Airline, Airport
PHILADELPHIA (CBS) — With a strike looming at Philadelphia International Airport, Mayor Kenney has injected himself into the standoff between American Airlines contractors and the union representing ground service personnel. In a statement, the Mayor reminded American Airlines that the airport is... - KYW News Radio 1060
